L.I.F.T. SCHOLARSHIP APPLICATION

Name _____ Date of birth _____
Address _____ Phone _____
_____ Application date _____
Email _____

LIFT Fund (Love Invested in Future Training) is a scholarship for education beyond high school for female graduates of Monroe High School. It is made available by a generous donor from Monroe United Methodist Church. Financial need prevails over scholastic excellence. Awards are renewable. The amount of the scholarship depends on funds available and number of applicants. The applications are received in the spring of the year; money is disbursed directly to the school for the fall semester.

Briefly explain how you would use an award from this fund. Please explain what school you will be attending, what you will study, how long you plan to be in school. Please share additional information you think is relevant. Use additional paper if necessary.
